

Full Moon Farm Produce Share Agreement 2017

We have read Full Moon Farm's website and understand our commitment to the CSA process. We understand that farming is weather dependent and that by registering we are agreeing to share in the risks of this adventure with you, the farmers. We realize that you cannot refund any subscription and trust that as farmers, you will use your skills wisely to provide us with a steady supply of fresh, organic produce for the 2017 summer/fall season.
